

## Samsung Innovation Campus AIML Excellence at SIET, Nilokheri

SIET, Nilokheri, has successfully achieved a significant milestone by partnering with the Samsung Innovation Campus to deliver a high-impact course on Artificial Intelligence and Machine Learning.

This achievement was driven by TPO cell and the lectures are delivered by the expert instruction of Mr. Ashish Kharb and Ms. Deeksha Kanwal, who provided students with advanced technical training and industry-aligned skills. By successfully integrating this globally recognized program, SIET continues to lead in technical excellence and the practical application of cutting-edge technologies.
