

Subject: Girls Hostel Merit List for Third Year Students (Session 2026-27)

The hostel merit list for Third Year students has been prepared on the basis of the distance criterion.

Only those students who submitted their online hostel application on or before 02.08.2026 have been considered in this merit list. These students must submit the prescribed hostel fee and confirm their hostel admission on and before the 11.08.2026. They must also report to the Girls Hostel Warden and complete all the admission formalities by the due date. If any selected student fails to submit the hostel fee and confirm admission by 11.08.2026, the allotted hostel seat will be offered to the next eligible student in the merit list.

The remaining students are in the waiting list and will be considered for hostel accommodation after 15.08.2026 subject to the availability of the vacant seats.
