

Subject: Hostel Merit List for 2nd Year Students (Session 2026-27)

The hostel merit list of 2nd year students has been prepared on the basis of the distance criterion, with preference given to students residing farther from the Institute.

Students up to Sr. No. 20 in the merit list are eligible for hostel admission. These students must submit the prescribed hostel fee in the Chief Warden Office and confirm their hostel admission on or before 10 August 2026. They must also report to the Boys' Hostel and complete all admission formalities by the due date. If any selected student fails to submit the hostel fee and confirm admission by 10 August 2026, the allotted hostel seat will be offered to the next eligible student in the merit list.

The remaining students in the merit list will be considered for hostel accommodation after 15 August 2026, subject to the availability of vacant seats. Approximately 20 additional students may be accommodated based on the merit list and the availability of vacant seats.
